Custom Stairways Bonners

Custom Stairways Bonners

Wildcat Wood of beautiful Bonners Ferry, Idaho has been in the log railing business since 1991. We specialize in log railings, log beds and log homes. Each piece of work is customized to your specifications. We only use dead-standing lodgepole pine with each piece being peeled by hand in the old-fashioned way using a hand-held drawknife.

Handcrafted Log Rails

Since 1991, we have been processing custom, draw-knife, handcrafted log railing and posts in the Amish tradition of quality craftsmanship. Each section is assembled, banded, shrink-wrapped and numbered for easy installation. We use only dry lodge-pole pine from the Inland Northwest. We have several different styles of railing to choose from. We receive a 50% discount on our freight shipping costs. We can easily provide you with an estimate on your shipping charges.

Handcrafted Log Stairways

We have several different styles of stairways including; full-scribe, full log stringers, half log treads with half log stringers, square beam stairways. If interested we also build custom log fireplace mantles. We receive a 50% discount on our freight shipping costs. We can easily provide you with an estimate on your shipping charges. So look over our site and if you don’t see what you’re looking for or have questions, give us a call. Remember that we ship Nationwide and to Canada as well.
